COLLEGE OF ENGINEERING, BANGALORE.

FACTS REGARDING THE COLLEGE OF ENGINEERING, BANGALORE.

1. The College trains students of the B.E. Degree Examination of the Mysore University and provides instruction in Civil, Mechanical and Electrical Engineering subjects.

2. Students who seek admission into the College should not ordinarily be under 17 or above 22 years of age on the 1st June immediately preceding the date of admission into the College.

3. Candidates for admission must be preferably Mysoreans by birth or domicile and must have passed the Intermediate Examination leading to Engineering of the Mysore University or graduates (with Mathematics, Physics and Chemistry as Optionals) of this or any other University and in the case of non-Mysoreans admission being restricted to those whose qualifications are recognised by the University Council. Non-Mysoreans admitted to the College are eligible for merit scholarships and not for other scholarships. Applications from students who have discontinued their studies for two years or more after passing such examinations cannot be considered.

4. Applications for admission should reach the Principal, complete in all respects, not later than the 15th June nor earliear than the 15th May preceding. Every application should be accompanied by the following certificates:—

(i) Certificates showing the date of birth of the applicant duly attested by a Magistrate or Gazetted Officer of Government or from an extract of the School Register obtained from the Head of the Institution in which the applicant studied prior to application.

(ii) Statement of Schools and Colleges at which the applicant was educated during the five years prior to application and the number of years he stayed in each class during the period.

(iii) Certificate of Physical Fitness (as per form detailed below).

(iv) Certificate of character which should also specify that he has got sufficient means to enable him to prosecute his studies during his four years' stay at the College, the total course being roughly estimated to cost Rs. 2,000 as per details given in the College Regulations.

Applicants other than those who proceed to the College of Engineering after passing the I.Sc. Examination leading to Engineering of this University will have to remit a registration fee of Rs. 5 also with their application. This fee will be refunded if they are not selected for admission, and for those who are given seats, the amount will be adjusted towards their fees.

No notice will be taken of applications which are not complete in all the above respects, nor can any correspondence be entered into concerning them.

5. The number of seats available at present is fifty and selection will be made from amongst the applicants by the Principal aided by the College Council. The list of selections will generally be published by the 20th of June and every candidate who has been previously selected will be duly informed by post. Selected candidates should appear before the Principal on a date to be fixed by him not later than the 26th June; on their selection being confirmed by the Principal, the admission fee and the first instalment of tuition fees should be paid on a date to be fixed not later than the 1st July. Any selected candidate who fails either to appear at the interview or to pay up the fees as above will forfeit his claim to admission. Vacancies, if any, will be filled from amongst the remaining applications.

6. The tuition fees are Rs. 150 per year payable in two instalments of Rs. 75 each, the first on admission in July and the second in January. The Sports, College Socials, Union and other fees amount to Rs. 10 per annum payable on admission. Each student on admission is required to deposit Rs. 10 against loss or damage to tools, apparatus and library books.

7. The course extends over four years followed by a year's practical training. The first year's course is common to all students. In the second years students are permitted to select Civil, Mechanical or Electrical Engineering according to their aptitude as shown in the Examination held at the end of the first year. There are three public or University Examinations, *viz.*, F.E, S.E., and B.E., at the end of the first, third and fourth years respectively.

8. The College course commences on the 26th of June and ends on the 31st March following. The summar vacation extends from 1st April to 25th June, both days inclusive. There will be tours of inspection during the College course and students are expected to spend a portion of their vacation on Engineering works and in making sketches and measured drawings.

9. Each student must provide himself with the necessary set of drawing instruments and text-books prescribed. The cost of these for the whole course will be about Rs. 350.

10. A hostel is attached to the college which provides boarding and lodging for about 40 students and the expenses amount to about Rs. 25 per student per month.

V. GANESHA IYER,
Principal.
